

Mozambique

In Mozambique, ASSIST is supporting the MOH and implementing partner staff to integrate continuous quality improvement into voluntary medical male circumcision services. The project is also working with the MOH to integrate nutrition assessment, counseling, and services into HIV care in Nampula and Tete provinces.

For more information on ASSIST's work in Mozambique, please contact assist-info@urc-chs.com [1].

The USAID ASSIST Knowledge Portal is made possible by the generous support of the American people through the [U.S. Agency for International Development](#) and its [Bureau for Global Health, Office of Health Systems](#). The information provided on this web portal is not official U.S. Government information and does not represent the views or positions of USAID or the U.S. Government. The USAID ASSIST Project is managed by [University Research Co., LLC](#) under Cooperative Agreement Number AID-OAA-A-12-00101.
