

## Cambodia

The project is advising the Cambodian Ministry of Health and the five health professions councils that regulate doctors, dentists, pharmacists, nurses, and midwives on the development of a new law to regulate and license health practitioners. ASSIST in Cambodia is also supporting the councils to design and test a harmonized system for registration and establish accountable business models to ensure the financial sustainability of the registration process.

For more information on ASSIST's work in Cambodia, please contact [assist-info@urc-chs.com](mailto:assist-info@urc-chs.com) [1].

The USAID ASSIST Knowledge Portal is made possible by the generous support of the American people through the [U.S. Agency for International Development](#) and its [Bureau for Global Health, Office of Health Systems](#). The information provided on this web portal is not official U.S. Government information and does not represent the views or positions of USAID or the U.S. Government. The USAID ASSIST Project is managed by [University Research Co., LLC](#) under Cooperative Agreement Number AID-OAA-A-12-00101.
