

## Anisa Ismail

Improvement Specialist, USAID ASSIST Project/URC

Anisa Ismail is an Improvement Specialist for HIV within the ASSIST project. She provides technical assistance and program support in the areas of nutrition, care and treatment, and prevention of mother-to-child transmission to various sub-Saharan African countries. Anisa previously worked on HIV prevention programs in East and Southeast Asia with International Planned Parenthood Federation and holds an MPH from Columbia University Mailman School of Public Health.

The USAID ASSIST Knowledge Portal is made possible by the generous support of the American people through the [U.S. Agency for International Development](#) and its [Bureau for Global Health, Office of Health Systems](#). The information provided on this web portal is not official U.S. Government information and does not represent the views or positions of USAID or the U.S. Government. The USAID ASSIST Project is managed by [University Research Co., LLC](#) under Cooperative Agreement Number AID-OAA-A-12-00101.
