

Namibia

The project is working with the Ministry of Health and Social Services, private providers, and PEPFAR implementing partners to improve the quality of voluntary medical male circumcision (VMMC) services, infection prevention and control practices, HIV counseling and testing, and HIV care and treatment.

For more information on ASSIST's work in Namibia, please contact assist-info@urc-chs.com [1].

The USAID ASSIST Knowledge Portal is made possible by the generous support of the American people through the [U.S. Agency for International Development](#) and its [Bureau for Global Health, Office of Health Systems](#). The information provided on this web portal is not official U.S. Government information and does not represent the views or positions of USAID or the U.S. Government. The USAID ASSIST Project is managed by [University Research Co., LLC](#) under Cooperative Agreement Number AID-OAA-A-12-00101.
