Initiatives Inc. specializes in strengthening health systems, improving quality health care, and reinforcing NGO and community organizations. Our technical expertise contributes to improving management, training and human resources systems across the globe. Initiatives also manages CHW Central (http://www.chwcentral.org [2]), an online community of practice that brings together program managers, experts, practitioners, researchers, and supporters of CHW programs to share resources and experiences and to discuss and develop questions and ideas on CHW programs and policy.

The USAID ASSIST Knowledge Portal is made possible by the generous support of the American people through the U.S. Agency for International Development and its Bureau for Global Health, Office of Health Systems. The information provided on this web portal is not official U.S. Government information and does not represent the views or positions of USAID or the U.S. Government. The USAID ASSIST Project is managed by University Research Co., LLC under Cooperative Agreement Number AID-OAA-A-12-00101.
