Ukraine

ASSIST supported Ukrainian partners to reduce alcohol and tobacco use among pregnant women in Poltava Oblast through training and technical assistance for the implementation of standardized counseling protocols, known as brief physician interventions.

For more information on ASSIST’s work in Ukraine, please contact assist-info@urc-chs.com [1].

The USAID ASSIST Knowledge Portal is made possible by the generous support of the American people through the U.S. Agency for International Development and its Bureau for Global Health, Office of Health Systems. The information provided on this web portal is not official U.S. Government information and does not represent the views or positions of USAID or the U.S. Government. The USAID ASSIST Project is managed by University Research Co., LLC under Cooperative Agreement Number AID-OAA-A-12-00101.
