

Côte d'Ivoire

In Côte d'Ivoire, ASSIST provides technical support to the Ministry of Health (MOH) and PEPFAR implementing partners to develop their capacity to support the delivery of high-quality HIV care and treatment services throughout the country. ASSIST is also supporting the MOH to develop national quality standards and policies and is working with four university hospitals to develop quality assurance and improvement systems.

For more information on ASSIST's work in Côte d'Ivoire, please contact assist-info@urc-chs.com [1].

The USAID ASSIST Knowledge Portal is made possible by the generous support of the American people through the [U.S. Agency for International Development](#) and its [Bureau for Global Health, Office of Health Systems](#). The information provided on this web portal is not official U.S. Government information and does not represent the views or positions of USAID or the U.S. Government. The USAID ASSIST Project is managed by [University Research Co., LLC](#) under Cooperative Agreement Number AID-OAA-A-12-00101.
