India

In India, the project is enhancing improvement capability in the Indian health system by building the capacity of individuals and institutions to conduct improvements across the reproductive, maternal, neonatal, child, and adolescent health (RMNCH+A) continuum.

For more information on ASSIST’s work in India, please contact assist-info@urc-chs.com [1].

The USAID ASSIST Knowledge Portal is made possible by the generous support of the American people through the U.S. Agency for International Development and its Bureau for Global Health, Office of Health Systems. The information provided on this web portal is not official U.S. Government information and does not represent the views or positions of USAID or the U.S. Government. The USAID ASSIST Project is managed by University Research Co., LLC under Cooperative Agreement Number AID-OAA-A-12-00101.
